INSTITUTION OF ENGINEERS (MAURITIUS)

Profile of Mr Ram Bahadoor

Ram Bahadoor is the Executive Director of Construction Industry Development Board (CIDB). He is a Chartered Civil / Water Engineer with over 30 years of work experience in the design, site supervision, contract administration, and project management of infrastructure works. He is also a qualified Arbitrator, Adjudicator and accredited Mediator. Prior to joining the CIDB, he was running his own consulting practice, providing services in the field of construction claims and dispute resolution.

Ram is a Fellow and Past President of the Institution of Engineers (Mauritius). He is also a Fellow of leading Professional Bodies of UK, namely the Institution of Civil Engineers, the Chartered Institution of Water and Environmental Management, and the Chartered Institute of Arbitrators. Ram is presently the Country Representative for Mauritius of the Institution of Civil Engineers of UK.
